DESCRIPTION:			
Yucca is a pure natural product that contains no additives			
CHARACTERISTICS:			
Appearance:	Brown powder		
Taste:	Typical		
Odour:	Typical		
CHEMICAL STANDARDS:			
Loss on drying:	Untested		
Total ash:	Untested		
Acid insoluble ash:	Untested		
Foreign matter:	Untested		
Extractive:	Untested		

POWDERED YUCCA ROOT

MICROBIOLOGICAL STANDARDS:

Total viable count:	Untested
Yeasts:	Untested
Moulds:	Untested
E.coli:	Untested
Salmonella:	Untested

PACKING:

Bags

STORAGE:

Store in cool dry conditions, on pallets, out of direct sunlight, and free from infestation and ingress of moisture.

SHELF LIFE:

48 months if stored unopened and under storage conditions stated above.

USE IN PRODUCTION:

If the goods or any part thereof supplied under the contract are processed, altered or tampered with in any way by the buyer or receiver of the goods or any other person, the quality of the goods shall be deemed to be acceptable by the buyer. All customers' quality checks are to be completed on the entire load prior to production and use.

INFESTATION:

Relating particularly to Coriander seed, Whole Chilies and Fennel seed: We cannot guarantee that goods will not at a later date be subject to infestation, unless specifically vacuum treated or heat-treated. Even after treatments, treated goods can be subject to re-infestation if incorrectly stored. Untreated seeds, herbs and spices on any form, treated with approved chemical fumigants, are still susceptible to possible infestation, as insect eggs are not destroyed by current chemical fumigants.

POWDERED YUCCA ROOT

NUT ALLERGEN STATEMENT:

Unless otherwise stated, the products supplied are to the best of our knowledge free from nut, nut derivatives and allergens. JFS does handle some nut and allergen products but follows careful handling and segregation procedures. However, due to the nature of the products supplied, it is impossible for the Company to absolutely guarantee that no cross contamination has taken place at some point in the supply chain prior to delivery at our premises.

WARRANTY STATEMENT:

Where products are indicated to be "free from" certain ingredients or categories of ingredients, this designates that the product is not formulated or wholly derived from the particular ingredient(s). Allergen handling policies and procedures are in place through the supply chain in order to avoid the likelihood of cross contamination occurring but this cannot be guaranteed.

BOTANICALS: All materials supplied shall conform to current EU Pesticide legislation, however, nothing contained herein shall be construed to imply warranty or guarantee.

OTHER INFORMATION:

This product is neither irradiated nor genetically manipulated. This product is 100% natural. Microbiological levels cannot be guaranteed.

This is a starting material intended for use as an ingredient in a finished product. The manufacturer of this finished product is solely responsible for its compliance with the regulations applying to its manufacture, sale and uses.

POWDERED YUCCA ROOT
